

PrimeTime Mentoring

96% of mentors
said they personally
benefited from
their mentoring
experience.

How to Become a PrimeTime Mentor

STEP 1

Attend a 2-hour mentor training session at a time of your choosing. Visit our website or Facebook page for a full list of dates and times available.

STEP 2

Complete the necessary background check and mentor application during your training session. You will also get the chance to choose the school at which you would like to be a mentor. (See the back of this sheet for a completelist.)

STEP 3

The Mentor Coordinator from your chosen school will contact you to set up a tour of the school and to meet your mentee.

STEP 4

Meet with your mentee weekly and connect with them!

PrimeTime Mentoring is a rewarding, one hour per week investment in making a difference to an at-risk youth. PrimeTime Mentors spend their time eating lunch while playing games, talking, and doing activities one-on-one with a student.

What does it take to be a PrimeTime Mentor? Compassion, a sense of humor, patience and a willingness to be a friend to a child.

We would love to discuss how you or your business, church group, or service organization can collaborate with us in making PrimeTime Mentoring part of your weekly schedule for the 2017/2018 school year. The need is urgent, the reward is immense. Please contact us today!

Rachel Millsap
Volunteer Coordinator for Spokane & Spokane Valley Schools
